- 4.16 With effect from the Appointed Date and upto the Effective Date :

- (ii) The Board of Directors of the Transferor Companies shall continue to exercise their powers to carry on the business of their respective Companies in the manner they deem fit and they shall, inter alia, be entitled to take up new projects if the opportunities so arise, raise funds whether by way of long term loans, bonds or debentures, or by issuing further share capital, create further security in favour of the lenders by charge or mortgage of properties.

- (iii) The Board of Directors of the Transferor Companies shall continue to exercise their powers to alienate or dispose of any assets, whether movable or immovable.
 - (iv) All the profits or incomes accruing or arising to the Transferor Companies or expenditure or losses arising or incurred (including the effect of taxes, if any, thereon) by the Transferor Companies, pursuant to the carrying on of business after the Appointed Date and upto the Effective Date, shall, for all purposes, be treated and be deemed to be and accrue as the profits or incomes or expenditure or losses or taxes of the Transferee Company, as the case may be.
 - (v) The right of the Transferor Companies and the Transferee Company to declare and pay dividends, whether interim or final, to their respective equity shareholders shall remain unaffected. It is clarified that this is only an enabling provision and shall not be deemed to confer any right on the shareholders to demand or claim any dividends which, subject to the provisions of the Act, shall be entirely at the discretion of the respective Board of Directors of the Company concerned and subject, wherever necessary, to the approval of the shareholders of the respective companies.
 - (vi) The shareholders of the Transferor Companies and the Transferee Company shall, save as expressly provided otherwise in the Scheme, continue to enjoy their existing rights under their respective Articles of Association including the right to receive dividends.
- 4.17 (a) The Transferee Company has plans/commitments of making investments in various Projects implemented/being implemented by it directly or through its subsidiary/ Joint Venture companies besides its obligations in respect of its own loans and other liabilities incurred in connection with various projects as detailed in para 2.03 above. The Transferee Company intends to raise funds to make such investments/service the said liabilities by sale of shares held by it in the two Transferor Companies at the appropriate time. Since, presently the projects undertaken by the two Transferor Companies are under implementation, it is felt by the Transferee Company that sale of the said shares immediately or in short term may not fetch reasonable price and hence it would be desirable to sell the shares at a later stage when projects become operative so as to have access to the true price potential. With that object, it is considered prudent that suitable provision be made in the Scheme clarifying that the said shares will not stand cancelled upon the Scheme coming into effect and the right of the Transferee Company to dispose of the said shares later on through some Trusts will not be affected in any way by anything contained in the Scheme.
- (b) Accordingly, it is provided that nothing contained in this Scheme shall be construed to restrict the right of the Transferee Company to sell or otherwise dispose of any of the shares held by it in the Transferor Companies before the Effective Date. Instead of making direct sale in the market, the Transferee Company may, if thought fit, transfer the said shares or any part thereof, before the Effective Date, in favour of one or more Trusts, to be created for that purpose and this power of the Transferee Company shall not be deemed to have been fettered or otherwise affected by anything contained in this Scheme. Upon such transfer of shares whether by direct sale in the market or by transfer in favour of the Trustees before the Effective Date, the Transferee Company shall cease to be member in respect of such shares and the names of such transferees [including the Trustees] shall be entered in the Register of Members of the Transferor Companies concerned or in the records

of the Depositories, as the case may be, in place of the Transferee Company. The transferees [including the Trustees], as members in respect of the shares so transferred in their names, shall be entitled to allotment of shares in the Transferee Company in terms of Clause 5.01 of this Scheme. It is, however, made clear that the Trusts so created will be for a specified period not exceeding 5 years and shall be for the sole benefit of the Transferee Company. The Trust Deed shall also provide for appointment of independent trustees unrelated to the promoters of the Transferee Company. The Trusts shall be governed by the Indian Trusts Act, 1882. If the Transferee Company decides not to sell or transfer the aforesaid shares or any part thereof before the Effective Date, then the shares not sold/transferred shall stand cancelled upon the Scheme coming into effect and no allotment of shares in lieu thereof shall be made under Clause 5.01 of this Scheme.

- 5.06 Upon the Scheme coming into effect and with effect from the Record Date, all the existing shares/share certificates pertaining to the shares of the Transferor Companies, both in physical form and in electronic form, shall be deemed to have been automatically cancelled and will become invalid and shall cease to be tradeable thereafter. The Board of Directors of the Transferee Company may not require the shareholders of the Transferor Companies to surrender their share certificates before issuing the new share certificates for the shares allotted in terms of the Scheme.
- 5.07 The Equity Shares issued and allotted by the Transferee Company in terms of Clause 5.01 above shall be listed and/or admitted to trading by the Bombay Stock Exchange and the National Stock Exchange, where the Equity Shares of the Transferee Company are already listed.
- 5.08 After the issue and allotment of shares pursuant to the Scheme, the Transferee Company shall use its best endeavors to increase the public shareholdings in the Company to such minimum level within such period as may be stipulated by or under the Listing Agreement or under other applicable regulatory provisions.

- (ii) The Board of Directors of the Transferor Companies shall continue to exercise their powers to carry on the business of their respective Companies in the manner they deem fit and they shall, *inter alia*, be entitled to take up new projects if the opportunities so

arise, raise funds whether by way of long term loans, bonds or debentures, or by issuing further share capital, create further security in favour of the lenders by charge or mortgage of properties .

- (iii) The Board of Directors of the Transferor Companies shall continue to exercise their powers to alienate or dispose of any assets, whether movable or immovable.

The Transferee Company intends to raise funds to make such investments/service the said liabilities by sale of shares held by it in the two Transferor Companies at the appropriate time. Since, presently the projects undertaken by the two Transferor Companies are under implementation, it is felt by the Transferee Company that sale of the said shares immediately or in short term may not fetch reasonable price and hence it would be desirable to sell the shares at a later stage when projects become operative so as to have access to the true price potential. With that object, it is considered prudent that suitable provision be made in the Scheme clarifying that the said shares will not stand cancelled upon the Scheme coming into effect and the right of the Transferee Company to dispose of the said shares later on through some Trusts will not be affected in any way by anything contained in the Scheme.
- (b) Accordingly, it is provided that nothing contained in this Scheme shall be construed to restrict the right of the Transferee Company to sell or otherwise dispose of any of the shares held by it in the Transferor Companies before the Effective Date. Instead of making direct sale in the market, the Transferee Company may, if thought fit, transfer the said shares or any part thereof, before the Effective Date, in favour of one or more Trusts, to be created for that purpose and this power of the Transferee Company shall not be deemed to have been fettered or otherwise affected by anything contained in this Scheme. Upon

such transfer of shares whether by direct sale in the market or by transfer in favour of the Trustees before the Effective Date, the Transferee Company shall cease to be member in respect of such shares and the names of such transferees [including the Trustees] shall be entered in the Register of Members of the Transferor Companies concerned or in the records of the Depositories, as the case may be, in place of the Transferee Company. The transferees [including the Trustees], as members in respect of the shares so transferred in their names, shall be entitled to allotment of shares in the Transferee Company in terms of Clause 5.01 of this Scheme. It is, however, made clear that the Trusts so created will be for a specified period not exceeding 5 years and shall be for the sole benefit of the Transferee Company. The Trust Deed shall also provide for appointment of independent trustees unrelated to the promoters of the Transferee Company. The Trusts shall be governed by the Indian Trusts Act, 1882. If the Transferee Company decides not to sell or transfer the aforesaid shares or any part thereof before the Effective Date, then the shares not sold/transferred shall stand cancelled upon the Scheme coming into effect and no allotment of shares in lieu thereof shall be made under Clause 5.01 of this Scheme.

PART V CONSIDERATION AND ISSUE AND ALLOTMENT OF SHARES

The excess of such ascertained amount over the paid up value of shares allotted under Clause 5.01, shall be credited to the Amalgamation Reserve. The Amalgamation Reserve shall be utilized, to the extent possible, to write off goodwill existing in the books of the Transferee Company. If the amount so ascertained is less than the paid up value of shares allotted under Clause 5.01, then such shortfall shall be transferred to Goodwill Account which shall be written off over a period not exceeding ten years against Securities Premium Account and/or Capital Reserves and/or General Reserves and/or balance standing to the credit of Profit & Loss account, as may be decided from time to time by the Board of Directors of the Transferee Company.

PART VII GENERAL TERMS AND CONDITIONS

- 7.01 The amalgamation of the Transferor Companies with the Transferee Company in terms of this Scheme is contemplated in accordance with the provisions of Section 2(1B) of the Income Tax Act, 1961. If at any stage any terms or provisions of the Scheme are found or interpreted to be inconsistent with the said provisions of the Income Tax Act as they exist now or as may be amended subsequently, then the provisions of this Scheme shall be read down to avoid such inconsistency and, if necessary, it will be open to the Board of Directors of the Transferor Companies and the Transferee Company to seek amendment of the Scheme in accordance with law. No further approval of the shareholders or the creditors will be necessary for giving effect to the provisions contained in this clause.
- 7.02 The Scheme provides for the amalgamation of the Transferor Companies with the Transferee Company and transfer and vesting of their Undertakings as a whole on a going concern basis to the Transferee Company with effect from the Appointed Date, pursuant to Sections 391 to 394 of the Act, and nothing contained in any of the clauses of this Scheme shall be construed to imply transfer of individual assets and liabilities or any combination thereof or with effect from a date other than the Appointed Date.
- 7.03 As provided in Clause 4.01(i) above, the transfer and vesting of the Undertakings of the Transferor Companies in the Transferee Company shall be deemed to have taken place with effect from the Appointed Date immediately upon the Scheme becoming effective. It is clarified that nothing contained in the Scheme shall be construed to imply that such transfer and vesting shall remain or deemed to have remained suspended or in abeyance till the process of issue and allotment of shares in terms of Clause 5.01 is completed.
- 7.04 If any part of this Scheme is found invalid, ruled illegal by any Court or authority of competent jurisdiction or found unenforceable under the present or future laws, then it is the intention of the Transferor Companies and

- the Transferee Company that such part shall be severable from the remainder of the Scheme and the Scheme shall not be affected thereby, unless the deletion of such part shall cause this Scheme to become materially adverse to either Company, in which case the Board of Directors of the Transferor Companies and the Transferee Company shall attempt to bring about a modification in the Scheme, as will best preserve for the Companies, the benefits and obligations of this Scheme, including but not limited to such part. It is made clear that no further approval of the shareholders or creditors shall be necessary for giving effect to the provisions contained in this clause.
- 7.05 The approval of the Scheme by the shareholders of the Transferor Companies and the Transferee Company, whether at their respective meetings convened by the Court under section 391/394 of the Act or by their consent letters/ affidavits, shall be deemed to be their approval of the Scheme as a whole under all the applicable provisions of the Act and under the respective Memorandum and Articles of Association of the Companies and under all other contracts, arrangements and understandings, as may be applicable, as well as under all other applicable laws, rules and regulations and it will not be necessary to specify or obtain separate or specific approval under each applicable provision.
- 7.06 The respective Board of Directors of the Transferor Companies and the Transferee Company may assent to any alterations or modifications in the Scheme which the Court and/or any other competent authority may deem fit to approve or impose or which may otherwise become necessary. If either of them withdraws from the Scheme as above, the Scheme shall become null and void. No further approval of the shareholders or the creditors shall be necessary for giving effect to the provisions contained in this clause.
- 7.08 This Scheme is conditional upon and subject to its approval by the requisite majority of the shareholders and the creditors of the Transferor Companies and the Transferee Company as may be required under the Act and/or the orders of the Court ; sanction of the Court under Sections 391 to 394 of the Act ; and filing of the certified copy of the order of the Court with the Registrar of Companies, Punjab, Himachal Pradesh and Chandigarh.
- 7.09 The Scheme shall become effective with effect from the date the certified copy of the order of the Court sanctioning the Scheme is filed with the Registrar of Companies, Punjab, Himachal Pradesh and Chandigarh. The said date shall be the 'Effective Date'. The Scheme, though operative with effect from the 'Appointed Date' shall take effect from the Effective Date.
- 7.10 In the event of the Scheme failing to take effect by 10-08-2011 or by such later date as may be mutually agreed by the Board of Directors of the Transferor Companies and the Transferee Company, the Scheme shall become null and void. No further approval of the shareholders or the creditors shall be necessary for giving effect to the provisions contained in this clause.
- 7.11 No party claiming to have acted in anticipation of this Scheme taking effect, shall get any cause of action against the Transferor Companies or the Transferee Company or any of their directors or officers, if the Scheme becomes null and void or does not take effect for any reason whatsoever, or is withdrawn, amended or modified.
- 7.12 The Board of Directors of the Transferee Company may give such directions, as they may consider necessary, to settle any question or difficulty arising in regard to the implementation of the Scheme or in any matter connected therewith (including any question or difficulty arising in connection with any deceased or insolvent shareholder) such that the same shall be binding on all parties, in the same manner as if the same were specifically incorporated in the Scheme.
- 7.13 In the event of any inconsistency between any of the terms and conditions of any earlier arrangement or agreement between the Transferor Companies and the Transferee Company and their respective shareholders and/or creditors, and the terms and conditions of this Scheme, the latter shall prevail.
- 7.14 If any inconsistency or conflict between the different clauses of this Scheme is observed at any time, then the Board of Directors of the Transferee Company shall resolve such inconsistency or conflict and their decision in the matter shall be final and binding on all parties.
- 7.15 The respective Board of Directors of the Transferor Companies and the Transferee Company may empower any committee of directors or officers or any individual director, officer or other person to discharge all or any of the powers and functions, which the said Board of Directors are entitled to exercise and perform under this Scheme and may empower such committee or officer(s) to sub-delegate the authority so delegated.
- 7.16 On the Scheme becoming effective, the Transferor Companies shall stand dissolved without winding up.
- 7.17 The Transferor Companies and the Transferee Company shall, with all reasonable dispatch, make all applications/ petitions under Section 391 and 394 and other applicable provisions of the Act to the Court for directions to convene and/or dispense with all or any of the meetings and for the sanctioning of the Scheme and to other authorities and bodies for obtaining their approvals, no objections, consents etc., as may be required, under any law, agreement or otherwise.
- 7.18 Save and except as provided elsewhere in the Scheme, all costs, charges taxes, levies and other expenses including registration fee of any deed, in relation to or in connection with negotiations leading upto the Scheme and of carrying out and implementing the terms and provisions of this Scheme and incidental to the completion of the Scheme shall be borne and paid by the Transferee Company.
- 7.19 If this Scheme is rendered null and void under any of the clauses of this Scheme, then the Transferor Companies and Transferee Company shall bear their own costs and expenses.
- The detailed and complete terms of the proposed amalgamation are given in the annexed Scheme of Amalgamation.
8. The Transferee Company has plans/commitments of making investments in various Projects implemented/being implemented by it directly or through its subsidiary/ Joint Venture companies besides its obligations in respect of its own loans and other liabilities incurred in connection with various projects as detailed in para 3 (v) above. The Transferee Company intends to raise funds to make such investments/service the said liabilities by sale of shares held by it in the two Transferor Companies at the appropriate time. Since, presently the projects undertaken by the two Transferor Companies are under implementation, it is felt by the Transferee Company that sale of the said shares immediately or in short term may not fetch reasonable price and hence it would be desirable to sell the shares at a later stage when projects become operative so as to have access to the true price potential. With that object, it is considered prudent that suitable provision be made in the Scheme clarifying that the said shares will not stand cancelled upon the Scheme coming into effect and the right of the

Transferee Company to dispose off the said shares later on through some Trust will not be affected in any way by anything contained in the Scheme. Accordingly, suitable provisions have been made in Clause 4.17 of the Scheme.

9. The ratio in which shares in the Transferee Company shall be allotted to the shareholders of the Transferor Companies, has been fixed on the basis of valuation made by M/s Banshi S. Mehta & Co., Chartered Accountants, Mumbai vide their Valuation Report dated 10th February, 2011 upon which Sobhagya Capital Options Limited (SCOL), a SEBI Registered Merchant Banking Company have given 'Fairness Opinion Reports' in terms of clause 24 (h) of the Listing Agreement, vide their reports dated 12th February, 2011, in respect of the Valuation/Share Exchange Ratio of unlisted companies, i.e., Transferor Company No. 1 & 2. SCOL have, based on the independent valuation done by them for all the Companies, opined that **the Share Exchange Ratio of 5:1, i.e. every Shareholder holding 5 shares of JKHCL would get 1 Share in JPVL and 13:2 i.e every Shareholder holding 13 shares of BPSCL would get 2 Shares in JPVL and as determined by the Valuer M/s Banshi S. Mehta & Co., Chartered Accountants is fair and reasonable and may be adopted for share exchange with regard to the proposed amalgamation of the Applicant Companies. The Valuation Report and Fairness Opinion Reports had been accepted and approved by the concerned Board of Directors of the Applicant Companies.**
10. The circumstances that have necessitated the Scheme and the objects sought to be achieved are explained in para no. 2.04 of the Scheme, as under –
 “All the three Companies are engaged in power generation business. Both the Transferor Companies are subsidiaries of the Transferee Company. The consolidation of the business of hydro, thermal, and other power projects in one entity will enable the Companies to harness and optimize the synergies of their business operations and gain increased competitive advantage. The amalgamation will result in achievement of economies of scale and management efficiency, reduction in administrative cost, optimization of resources, enhanced flexibility in funding of expansion plans, expansion of asset base, improving profitability and stronger balance sheet of the merged company, etc. As a result, the merged entity is likely to achieve higher long-term financial returns than could be achieved by the companies individually. The Scheme is thus in the interest of all the three companies and their shareholders and creditors”.
11. The directors of the Applicant Companies have no material interest in the Scheme of Amalgamation. The shareholdings of present directors of the Applicant Companies as on 31st December, 2010 have been as under :
